THE FIRST HOUR

DO WHAT MATTERS

The women in your audience want to do something that matters - but it's buried under everything else they're carrying. Rebecca shows them how a protected first hour builds the foundation that holds when life changes overnight - because hers did, and it held.

YOUR AUDIENCE LEAVES ABLE TO

- see the thing that matters
- eliminate what doesn't

ABOUT REBECCA

Founder and CEO of Tielka, the internationally recognised organic tea brand she has built over seventeen years from regional Queensland. In 2018, her third child arrived with an unexpected diagnosis of Down syndrome. She speaks from the intersection of business, motherhood, faith and the unexpected - from the trenches, not the finish line.

"Compelling, honest and incredibly powerful... She had everyone hanging on her every word."

LEE-ANN WILSON

Vice President, Bundaberg Business Women's Network

"A rare ability to connect with her audience in a sincere and meaningful way."

PENELOPE MILLAR
